

CALL FOR PAPERS 2017

The Academy of Business & Retail Management is proud to have an established record to organising and managing international academic conferences. **Please join** us for one of our annual conferences in location given below or submit papers for one of our Journals. All our Conference seek to elucidate a wealth of issues in all aspects of business management, health and social care sciences, management education, teaching and learning methodologies and many more.. Contributions should therefore be of interest to scholars, practitioners and researchers in management in both developed and developing countries targeting a worldwide readership.

All our conferences offer various tracks which include: The Finance, Accounting and Organisational structure, The Growth and Economic Development, the Globalisation and International Trade, Education and teaching for the Life Long Learning Sector, The HRM, Marketing & Information Technology, Health and Social care Management, Science and Engineering

Authors are invited to submit their original research papers, case study, review, work in progress, reports, abstract, students' papers or research proposals within the broad scope of each conference. Author's submission will be published in both the conference proceeding under **The Business & Management Review** (Printed copy) and online. ABRM utilises **double blind review** process for all submitted papers.

For further details about our conferences and our academic journals, please visit our website on www.abrmr.com or send us an email on editor@abrmr.com.
